Buatlah Web Sederhana dengan Fungsi CRUD menggunakan bahasa pemrograman :

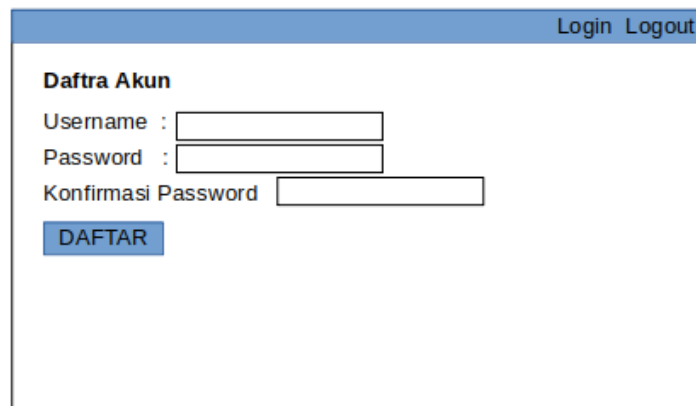

1. Frontend = HTML, CSS dan JavaScript.
2. Backend = PHP

index.php atau halaman depan

The screenshot shows a web page with a blue header bar containing the links "Login" and "Logout". The main content area is white and contains the text "Selamat Datang Nama Masing-masing" centered. Below this text are two blue buttons: "DAFTAR" and "DATA", also centered.

daftar\_akun.php atau halaman daftar akun

The screenshot shows a web page with a blue header bar containing the links "Login" and "Logout". The main content area is white and contains the title "Dafta Akun" (note the typo). Below the title are three input fields: "Username :", "Password :", and "Konfirmasi Password". Each input field is followed by a colon and the input box. Below the input fields is a blue button labeled "DAFTAR".
